Dear Dawn:

On behalf of the Board of Directors, I am pleased to announce the recipient of the **Momemtum4Life Scholarship** for the 2009-2010 academic year.

**Carli Ruskauff** has managed to maintain a stellar 4.64 GPA while participating in three school sports and one club sport all four years of high school. As the current Captain of the Santa Barbara High School Cross Country team, Carli also runs for the high school's track and field team and plays Varsity Girls' Soccer. She writes: "The sports I have participated in helped me learn some life skills, but they also helped direct my career choices. They made me realize that I like to be with and work with people. They also showed me that I like to lead, but can also follow other people's direction." Carli's coach praised her leadership skills by writing: "Carli exemplifies the term student-athlete, playing soccer, running on the cross country and track teams, while being a top flight student involved in numerous activities on campus." Carli has applied to UC Berkeley and plans to major in Business and Marketing.

Dawn, on behalf of our Board of Directors, we thank you for your generous support of local students and for providing us the opportunity to administer your scholarship.

Sincerely,

Vicki Wedmore  
Director of Student Programs
